Summary

MCA student with a strong foundation in Artificial Intelligence, Machine Learning, Python, Java, SQL, and web technologies. Hands-on experience developing academic ML applications using Flask, SQLite, Scikit-learn, and Naive Bayes. Strong analytical and problem-solving abilities with an interest in building reliable, practical software and AI-driven solutions. Committed to continuous technical learning and professional development in an international engineering environment.

Technical Skills

Programming Languages
Python , Java, SQL

Web Technology
HTML, CSS , Flask (Basics)

Libraries
Pandas, NumPy, Scikit-learn

AI/ML
Machine Learning , NLP, Data Preprocessing, ML Pipelines , Naive Bayes

Database
SQLite,SQL

Tools
Git, GitHub, VS Code

Education

2025 – 2027
Shirpur
MCA (Pursuing)
R.C Patel Institute of Management Research and Development

2022 – 2025
Shirpur
BCA
R.C Patel Institute of Management Research and Development
CGPA - 9.40

2020 – 2022
Shirpur
HSC
R.C Patel Jr.College
87%

Projects

AI Resume Analyzer & ATS Optimization System
Developed a Django-based AI/ML application for resume analysis, ATS scoring, and job-role prediction.
• Used NLP, TF-IDF, and Logistic Regression for resume analysis and role prediction.
• Built using Python, Django, HTML, CSS, and SQLite.

Advanced Medicine Recommendation System
Developed a web-based machine learning application that predicts diseases from symptoms and provides medicine, diet, and workout recommendations.
• Implemented disease prediction using the Naive Bayes algorithm.
• Built the application using Python, Flask, HTML, CSS , and SQLite.

Audio Text to Sign Language Converter
Developed a web application that converts live speech recordings into text and displays relevant Indian Sign Language animation Python, HTML, CSS and SQL Database integration.
• Applied machine-learning concepts with Python and integrated SQL-based data handling.

- Focused on improving accessibility through speech-to-sign communication.

Certifications

Artificial Intelligence
Friends Union for Energising Lives(FUEL) • 2024

Generative AI - Art of Possible
Amazon Web Services • 2024

Machine Learning : Art of Possible
Amazon Web Services • 2024

Building a Machine Learning Ready Organization
Amazon Web Services • 2024

Soft Skills

- **Problem Solving**
- **Analytical Thinking**
- **Team Collaboration**
- **Communication**
- **Time Management**
- **Attention to Detail**
